RENEWED PETITION UNDER 37 CFR 1.137(b)

A letter of Dismissal of a Petition to Revive for the above-application was received by
Applicant stating:

“the Commissioner may require additional information where there is a question
whether the delay was unintentional.”

Attached is a copy of the Office of Petitions letter of Dismissal of the Petition to Revive as
well as a copy of the Petition for Revival of an Application filed on November 15, 2007 indicating
the petition fees were submitted.

Per the attached Declaration, Applicant was unaware that the previous outside counsel was not attending to the matter of responding to the outstanding Office Action.

Also attached is a Declaration from Outside Counsel as to the delay in responding after receiving Power of Attorney.

In consideration of these submissions, Applicant respectfully requests that the Petition to Revive filed on November 15, 2007, be reconsidered.

The Response to Office Action was prepared along with another response with a similar docket number. This second response was scanned and incorrectly named, then filed with the Petition to Revive in November 2007. A screen shot of the electronic folder indicates the response was prepared on the date in question. A copy of this response is attached.

If any fees are required, I authorize the Commissioner to charge these fees which may be required to Yee & Associates Deposit Account No. 50-3157. If an extension is required, it is requested, and I authorize the Commissioner to charge fees for this extension to Yee & Associates Deposit Account No. 50-3157.

Respectfully submitted,

/Gerald H. Glanzman/
